

SSB 12V - 200AH JEL

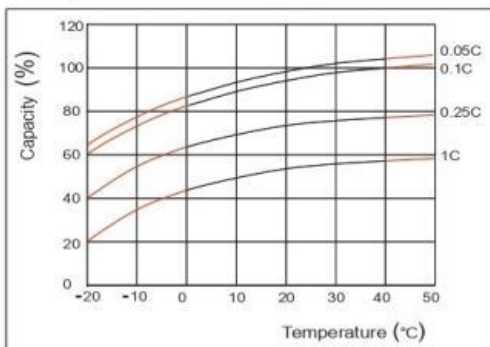

► Discharge Characteristics (25°C)

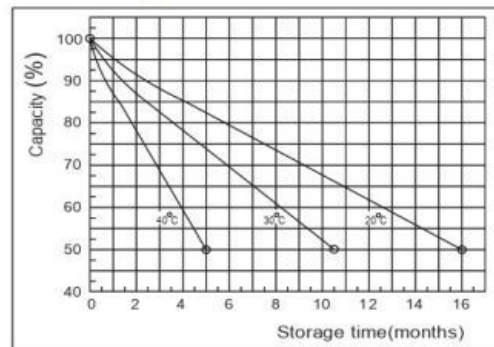

► Charging Characteristics (25°C)

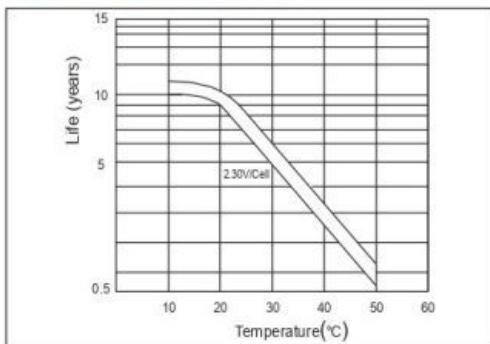

► Temperature effects on Capacity

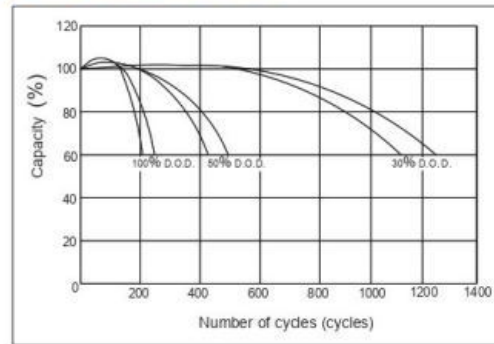

► Self-Discharge Characteristics

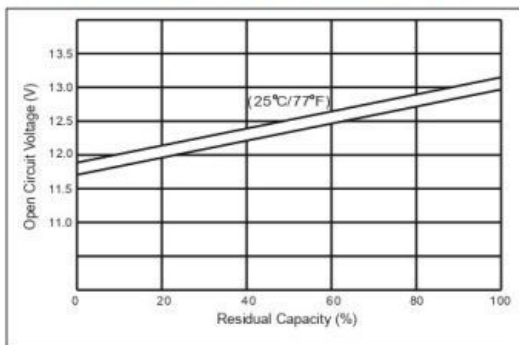

► Floating Life on Temperature

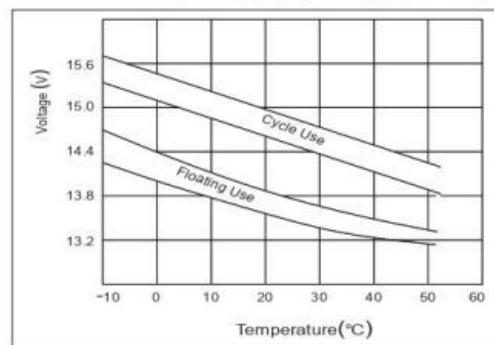

► Cycle Life on D.O.D (25°C)

► The Relationship for OCV and Capacity (25°C)

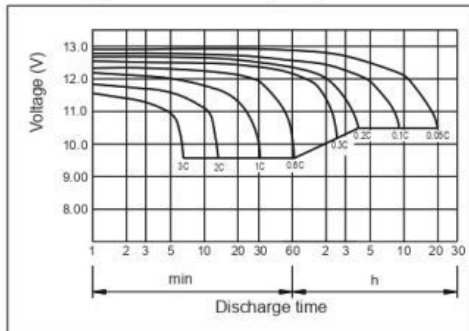

► The Relationship for Charging Voltage and Temperature

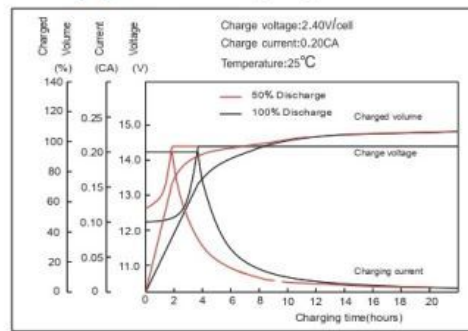

MH47211

SSB 12V - 65AH JEL

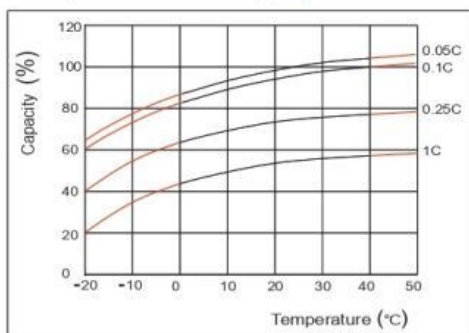

► Discharge Characteristics (25°C)

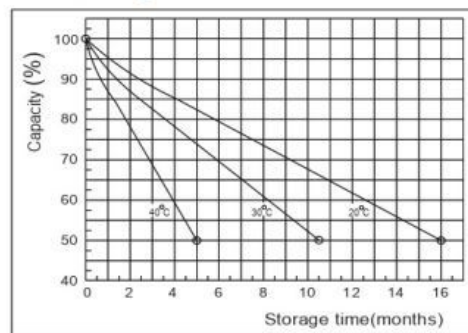

► Charging Characteristics (25°C)

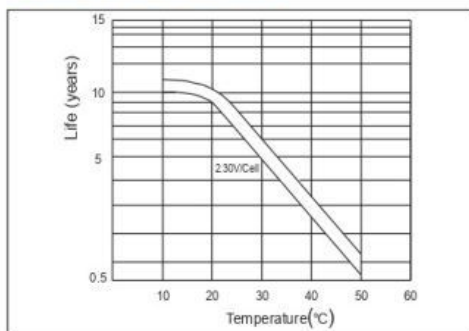

► Temperature effects on Capacity

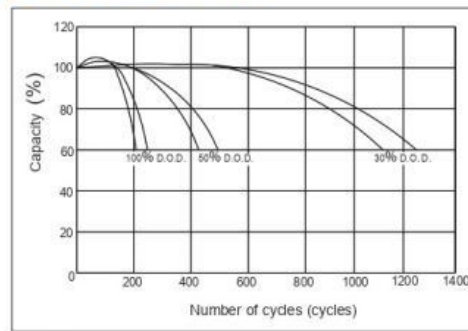

► Self-Discharge Characteristics

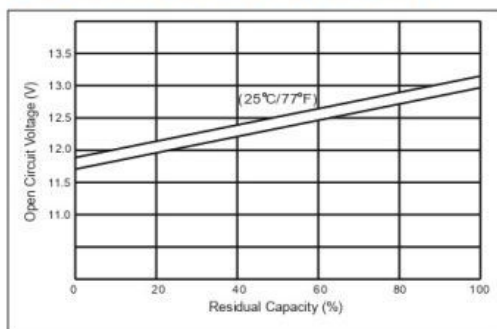

► Floating Life on Temperature

► Cycle Life on D.O.D (25°C)

► The Relationship for OCV and Capacity (25°C)

► The Relationship for Charging Voltage and Temperature
